22. LICENSES: The CONSULTANT shall, during the life of this contract, procure and keep in full force, effect, and good standing all necessary licenses, registrations, certificates, permits, and any and all other authorizations as are required by local, state, or federal law, in order for the CONSULTANT to render its

services as described herein. The CONSULTANT shall also require all specialty consultants to comply by contract with the provisions of this section.

23. TERMINATION: This contract may be terminated as follows: In the event of the termination of this contract, any liability of one party to the other arising out of any services rendered, or for any act or event occurring prior to the termination, shall not be terminated or released.

23.1. Termination for City's Convenience: The CITY, by written notice, shall have the right to terminate and cancel this contract, without the CONSULTANT being at fault, for any cause or for its own convenience, and require the CONSULTANT to immediately stop work. In such event, the CITY shall pay the CONSULTANT for the work actually performed. The CITY shall not be liable to the CONSULTANT for any other costs, charges, or expenses, including but not limited to, prospective profits and overhead on work not performed.

23.2. Termination for Consultant's Failure to Perform: In addition to any other termination provisions that may be provided in this contract, the CITY may terminate this contract in whole or in part if the CONSULTANT makes a false invoice or fails to perform any obligation under this contract and does not remedy the failure within fifteen (15) calendar days after receipt by the CONSULTANT of written demand from the CITY to do so, unless, however, the nature of the failure is such that it cannot, in the exercise of reasonable diligence, be remedied within fifteen (15) calendar days, in which case the CONSULTANT shall have such time as is reasonably necessary to remedy the failure.

23.3. Payment Upon Termination: Where the contract is terminated for cause by the CITY, such payment shall be reduced by an amount equal to any reasonable and provable expenses actual incurred by the CITY as a direct result of the termination.

23.4. Delivery of Materials Upon Termination: In the event of termination of this contract by the CITY, prior to the CONSULTANT's satisfactory completion of all the services described or alluded to herein, the CONSULTANT shall promptly furnish the CITY, at no additional cost or expense, with one (1) copy of the following items (collectively "Documents"), any or all of which may have been produced prior to and including the date of termination: data (including electronic data), specifications, calculations, estimates, plans, drawings, photographs, summaries, reports, memoranda; and any and all other documents, instruments, information, and materials (whether or not completed) generated or prepared by the CONSULTANT, or by any specialty CONSULTANT, in rendering the services described herein, and not previously furnished to the CITY by the CONSULTANT pursuant to this contract. The Documents shall be the sole property of the CITY, and the CITY shall be vested with all rights provided therein of whatever kind and however created. The CONSULTANT shall also require that all such specialty consultants agree in writing to be bound by the provisions of this section.

24. SUSPENSION: The CITY may, at any time and for any reason, direct the CONSULTANT to suspend work (in whole or in part) under this contract. Such direction shall be in writing and shall specify the period during which services shall be stopped. The CONSULTANT shall resume its services upon the date specified or upon such other date as the CITY may thereafter specify in writing. The period during which the services are stopped by the CITY shall be added to the time of performance of this contract; provided, however, that any work stoppage not approved or caused by the actions or inactions of the CITY shall not give rise to any claim against the CITY by the CONSULTANT.

25. DELAY DAMAGES (LIQUIDATED DAMAGES): It is mutually agreed between the parties hereto that time is of the essence in the performance of this Contract. In the event the work or services are not completed within the time herein specified, the CITY will suffer damages, the amount of which is difficult if not impossible to ascertain. It is agreed, therefore, that from the compensation otherwise to be paid to the CONSULTANT, the CITY may retain the sum of **FIVE HUNDRED Dollars (\$500.00)** per calendar day for each day thereafter, Sundays and holidays included, that the Work remains uncompleted. This sum shall represent liquidated damages that the CITY will have sustained per calendar day from the inconvenience and expense caused to the CITY by the delay in the completion of the Work. This sum is not a penalty, being the liquidated damages the CITY will have sustained in event of such default by the CONSULTANT. The CITY reserves the right to additionally recover direct job site expenses incurred during the period of any delay. The CONSULTANT shall be liable for liquidated damages even if the Contract is terminated by the CITY for cause or if the

CONSULTANT abandons the Work. The liability of the CONSULTANT and its surety or sureties for damages provided by this Article is joint and several.

26. MATERIALS, REUSE OF DOCUMENTS, AND CONFIDENTIALITY:

For each phase, CONSULTANT agrees to furnish and provide to CITY five (5) full-size copies of all plans, specifications, drawings, and other documents (except correspondence) prepared by CONSULTANT hereunder, same to be furnished as the same are prepared and completed by CONSULTANT, and if CITY requires additional copies of any of same, CONSULTANT will promptly furnish same to CITY upon request for the reasonable cost of the reproduction of same. CITY may, at CITY'S expense, obtain a set or sets of reproducible prints of any or all drawings and other documents prepare hereunder by CONSULTANT for the project.

The final work product of all such materials along with all formal CONSULTANT/CITY correspondence concerning the Project shall be the sole property of the CITY. All materials described above shall be retained by the CONSULTANT for the statutory period (Florida Statutes §95.11, as it may be from time to time amended). Furthermore, the CITY may reuse them at no additional cost, and the CITY shall be vested with all rights of whatever kind and however created that may be in existence thereto; provided, however, that the CONSULTANT shall not be liable or legally responsible to anyone for the CITY's reuse of any such materials on any other CITY Project and that the CONSULTANT timely notified the CITY of such potential liability.

27. LOCAL, STATE AND FEDERAL OBLIGATIONS:

27.1. No Discrimination: The CONSULTANT, for itself, its delegates, successors, interest, and its assigns, and as a part of the consideration hereof, does hereby covenant and agree that:

27.1.1. In connection with the furnishing of services to the CITY hereunder, no person shall be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in regard to this contract on the grounds of such person's race, color, creed, national origin, religion, physical disability, age or sex; and

27.1.2. The CONSULTANT shall comply with all existing requirements concerning discrimination imposed by any and all applicable local, state, and federal rules, regulations, or guidelines, and as such rules, regulations, or guidelines may be from time to time amended. In the event of a breach of any of the nondiscrimination covenants described in this section, the CITY shall have the right to terminate this contract, without liability, as set forth in Section 21 of this contract, and such right shall not be exercised unreasonably.

27.2. Compliance with Law: The CONSULTANT and its employees shall promptly observe, comply with, and execute the provisions of any and all present and future federal, state, and local laws, rules, regulations, requirements, ordinances, orders, codes, mandatory guidelines, and mandatory directions, which may pertain or apply to the services that may be rendered pursuant to this contract, or to the wages paid by the CONSULTANT to its employees. The CONSULTANT shall also require, by contract, that all specialty consultants shall comply with the provisions of this section.

27.3. Compliance With New Regulations: If applicable, the CONSULTANT agrees that at such time as the local, state, or federal agencies modify their grant procedures in order for the CITY or the CONSULTANT to qualify for local, state, or federal funding for the services rendered by the CONSULTANT, then the CONSULTANT shall consent to and make such modifications or amendments in a timely manner. If the CONSULTANT is unable to comply with applicable local, state, or federal laws and regulations governing the grant of such funds for services to be rendered herein, then the CITY shall have the right, by written notice to the CONSULTANT, to terminate this contract without liability, as outlined in Section 15, above. Furthermore, if the CONSULTANT's compliance with such laws, regulations, rules, or procedures causes a material change to a term or condition of this contract, then the CITY agrees, upon sufficient proof of material changes as may be presented to it by the CONSULTANT, to amend this contract.

28. PALM BEACH COUNTY IG; PUBLIC ENTITY CRIMES In accordance with Palm Beach County ordinance number 2011-009, this Addendum and the Agreement may be subject to investigation and/or audit by the Palm Beach County Inspector General. CONSULTANT should review Palm Beach County ordinance number 2011-009 in order to be aware of its rights and/or obligations under such ordinance and as applicable. As provided in Sections 287.132-133, Florida Statutes, as amended from time to time, by entering into the Agreement Documents, Vendor certifies that it and its affiliates who will perform hereunder have not been

placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the date hereof.

29. ASSIGNMENT AND DELEGATION: The CITY and the CONSULTANT bind themselves and their respective partners, successors, executors, administrators, and assigns, to the other party of this contract in respect to all duties, rights, responsibilities, obligations, provisions, conditions, and covenants of this contract; except that the CONSULTANT shall not assign, transfer, or delegate its rights or duties, or either or both of these things, under this contract without the prior written consent of the CITY.

29.1. The CITY has the absolute right to withhold such consent at its convenience, and, furthermore, if the CONSULTANT attempts to assign, transfer, or delegate its rights or duties in violation of these provisions without the CITY's consent, then the CITY may terminate this contract as a breach of contract by the CONSULTANT and a failure by the CONSULTANT to substantially perform its obligations hereunder, and any such assignment shall be null, void, and of no legal effect whatsoever. The CITY shall have the right to assign its rights (or any part of them) or to delegate its duties and obligations (or any part of them) to another entity that shall be bound by all applicable terms and conditions as provided in this contract.

29.2. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the CITY, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the CITY or the CONSULTANT.

30. AUDITS/ACCOUNTING REQUIREMENTS:

30.1. Periodic Auditing of CONSULTANT's Books: The CONSULTANT's financial and accounting records ("Books") specific to this contract may (but need not) be kept separate and apart from the CONSULTANT's other books; but the CITY shall have the right, at any reasonable time and through any of its designated agents or representatives, to inspect and audit the books for the purpose of verifying the accuracy of any invoice or other document and to ensure payment to subconsultant of the CONSULTANT. In addition, upon request of the CITY, the CONSULTANT shall prepare an audit (for the most recent fiscal year) for the CITY, which shall include the CONSULTANT's paid salary, fringe benefits, general and administrative overhead costs, and the total amount of money paid by the CITY to the CONSULTANT. The audit shall be certified as true and correct by, and shall bear the signature of, the CONSULTANT's Chief Financial Officer or its Certified Public Accountant.

30.2. Retention of Books: The CONSULTANT shall retain the books, and make them available to the CITY as specified above, until the later of five (5) years after the date of termination of this contract, or such longer time if required by any federal, state, or other governmental law, regulation, policy, or contractual or grant requirement or provision.

30.3. Overpayment: In the event any audit or inspection conducted after final payment reveals any overpayment to the CONSULTANT by CITY under the terms of the contract, CONSULTANT shall refund such overpayment to CITY within thirty (30) days of notice by the CITY.

31. PLEDGE OF CREDIT: The CONSULTANT shall not pledge the CITY's credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. The CONSULTANT further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this contract.

32. PUBLIC RECORDS: The CONSULTANT shall comply with the provisions of Chapter 119, Florida Statutes (Public Records Law) in connection with this contract. The CONSULTANT shall cause all such persons to preserve and protect all confidential information of the CITY to which they have access during the performance of work.

32.1. Upon request from CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

32.2. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONSULTANT does not transfer the records to the CITY.

32.3. Upon completion of the contract, transfer, at no cost, to the CITY all public records in possession of the CONSULTANT or keep and maintain public records required by the CITY to perform the service. If the CONSULTANT transfers all public records to the CITY upon completion of the contract, the CONSULTANT shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONSULTANT keeps and maintains public records upon completion of the contract, the CONSULTANT shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the CITY, upon request from the CITY'S custodian of public records, in a format that is compatible with the information technology systems of the CITY.

32.4. IF THE CONSULTANT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSULTANT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS IN THE OFFICE OF THE CITY CLERK AT 561-992-2218, OR E-MAIL DBUFF@BELLEGLADE-FL.COM , OR 110 DR. MARTIN LUTHER KING JR. BLVD WEST, BELLE GLADE FL, 33430.

34. TRADE SECRETS: Any language contained in the CONSULTANT's response to the RFQ purporting to require confidentiality of any portion of the CONSULTANT's response to the RFQ, except to the extent that certain information is in the CITY's opinion a Trade Secret pursuant to Florida law, shall be void.

34.1.If a CONSULTANT submits any documents or other information to the CITY which the CONSULTANT claims is Trade Secret information and exempt from Florida Statutes Chapter 119.07 ("Public Records Law"), the CONSULTANT shall clearly designate that it is a Trade Secret (in bold 14 point font and capitalized letters) and that it is asserting that the document or information is exempt. The CONSULTANT must specifically identify the exemption being claimed under Florida law. The CITY shall not be liable for the use or disclosure of trade secret data that CONSULTANT has failed to mark as such.

34.2.The CONSULTANT agrees and consents that the CITY shall be the final arbiter of whether any information contained in the CONSULTANT's response to the RFQ constitutes a Trade Secret. Pricing will not be considered a Trade Secret.

34.3.The CITY's determination of whether an exemption applies shall be final, and the CONSULTANT agrees to defend, indemnify, and hold harmless the CITY and Commission and the CITY's officers, employees, Commission members, and agents, against any loss, damages, judgments, attorneys' fees or costs incurred by any person or entity as a result of the CITY's treatment of records as public records or records exempt as Trade Secrets. Proposals purporting to be subject to copyright protection in full or in part will be rejected.

34.4.EXCEPT FOR CLEARLY MARKED PORTIONS THAT ARE BONA FIDE TRADE SECRETS PURSUANT TO FLORIDA LAW, CONSULTANT WILL NOT MARK ANY PORTION OF YOUR CONTRACT AS PROPRIETARY, COPYRIGHTED, OR CONFIDENTIAL.

34.5.The CITY will provide CONSULTANT with prompt notice by phone and/or email of any request for public records in which that CONSULTANT has claimed an exemption information being a Trade Secret so that the CONSULTANT may seek, at its sole expense, an appropriate protective order from a court of competent jurisdiction. In the event the CONSULTANT elects not to seek an appropriate protective order or is unable to obtain such an order within no later than ten (10) business days following receipt of notice, the CONSULTANT agrees and consents that the CITY shall be permitted to respond to the public records request with the response not being deemed a breach by the Commission of its obligations under the Agreement or the Florida Statutes governing Trade Secret exemptions. The CONSULTANT would then be waiving any rights relating to Trade Secrets under Florida law. CONSULTANT agrees to defend, indemnify, and hold harmless the CITY and Commission and the CITY's officers, employees,

Commission members, and agents, against any loss, damages, judgments, attorneys' fees or costs incurred by Commission as a result of the CITY's providing the records in response to the public records request or withholding them based on CONSULTANT's assertion of the Trade Secret exemption.

34.6. The indemnification provisions survive the Commission's award of the contract and remain as long as the trade secret data is in the possession of the Commission.

35. TRUTH NEGOTIATION CERTIFICATE: Execution of this contract by the CONSULTANT shall act as the execution of a truth negotiation certificate certifying that the wage rates and costs used to determine the compensation provided for in this contract are accurate, complete and current as of the date of the contract and no higher than those charged the CONSULTANT's most favored customer for the same or substantially similar service.

35.1. The wage rates and costs shall be adjusted to exclude any significant sums should the CITY determine that the wage rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside CONSULTANTS.

35.2. The CITY shall exercise its rights under this "Certificate" within one (1) year following final payment. CITY has the authority and right to audit CONSULTANT's records under this provision. The CITY does not hereby waive any other right it may have pursuant to Florida Statutes.

36. FEDERAL AND STATE TAXES: The CITY is exempt from payment of Florida State Sales and Use Taxes. The CONSULTANT shall not be exempt from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the CITY, nor is the CONSULTANT authorized to use the CITY's Tax Exemption Number in securing such materials. The CONSULTANT shall be responsible for payment of all federal, state, and local taxes and fees incurred in connection with this contract.

37. REMEDIES, ATTORNEYS' FEES AND COSTS: All remedies provided in this contract shall be deemed cumulative and additional, and not in lieu or exclusive of each other or of any other remedy available to either party, at law or in equity. If any legal action or other proceeding is brought for the enforcement of this contract or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this contract, each party shall bear its own costs and attorney's fees.

38. ENTIRE CONTRACT: This contract, including the Exhibits (and any Attachments) hereto, constitutes the entire contract between the parties, and shall supersede and replace all prior or contemporaneous negotiations, correspondence, conversations, agreements or understandings, written or oral, relating to the matters set forth therein, and that specifically related to the execution of this particular document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

39. AMENDMENT: This contract may be amended or modified only by a writing of import equal to this contract, and as duly authorized and executed by the parties.

40. FORCE MAJEURE/ UNCONTROLLABLE FORCES:

40.1. Neither the CITY nor CONSULTANT shall be considered to be in default of this contract if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this contract and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

40.2. Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within twenty four (24) hours of being prevented or delayed from performance by an uncontrollable force, give written notice to the Project Manager and the Purchasing Department by telephone with follow-up via facsimile, registered letter or electronic mail to the other party describing the

circumstances and uncontrollable forces preventing continued performance of the obligations of this contract.

40.3. CONSULTANT acknowledges that the CONSULTANT is responsible for, and is taking all risk with respect to any reduction of gross sales/and or profits due to theft, fire, accident, vandalism, temporary loss of power, weather, acts of God, changes to CITY or individual calendars, temporary or permanent closures, changes to or facility construction plans, machine failure (refunds), other acts beyond CITY control, and actions within CITY control that are necessary for sound reasons that are considered typical for local governments.

43. **NO CONSTRUCTION AGAINST DRAFTING PARTY:**

43.1. Each party to this contract expressly recognizes that this contract results from the negotiation process in which each party was represented by counsel and contributed to the drafting of this contract. Given this fact, no legal or other presumptions against the party drafting this contract concerning its construction, interpretation or otherwise accrue to the benefit of any party to the contract, and each party expressly waives the right to assert such a presumption in any proceedings or disputes connected with, arising out of, or involving this contract.

43.2. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the party or parties may require.

43.3. It is the parties' further intention that this contract be construed liberally to achieve its intent.

44. **SEVERABILITY; WAIVER OF PROVISIONS:** Any provision in this contract that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this contract. The CITY's consent to or approval of any act by CONSULTANT requiring consent or approval shall not be deemed to render unnecessary the obtaining of CITY's consent to or approval of any subsequent act by CONSULTANT requiring consent or approval, whether or not similar to the act so consented or approved.

45. **DISPUTE RESOLUTION:** Any disputes relating to interpretation of the terms of this contract or a question of fact or arising under this contract shall be resolved through good faith efforts upon the part of the CONSULTANT and the CITY or its Project Manager. At all times, the CONSULTANT shall carry on the work and maintain its progress schedule in accordance with the requirements of the contract and the determination of the CITY or its representatives, pending a final resolution of the dispute, including, if necessary, any determination by a court of competent jurisdiction. Any dispute which is not resolved by mutual agreement shall be decided by the City Manager who shall reduce the decision to writing. The decision of the City Manager shall be final and conclusive unless determined by a court of competent jurisdiction to be fraudulent, capricious, arbitrary, and so grossly erroneous as to necessarily imply bad faith, or not be supported by substantial evidence.

46. **MEDIATION:** Prior to initiating any litigation concerning this contract, the parties agree to submit the disputed issue or issues to a mediator for non-binding mediation. The parties shall agree on a mediator chosen from a list of certified mediators available from the Clerk of Court for Palm Beach County. The fee of the mediator shall be shared equally by the parties. To the extent allowed by law, the mediation process shall be confidential and the results of the mediation or any testimony or argument introduced at the mediation shall not be admissible as evidence in any subsequent proceeding concerning the disputed issue.

- 47.
